Clerks of Session are to bring Minutes for 2009, Register, a pastor, and your checklist (available online at www.losranchos.org, “Resources”, “Clerk of Session”.)

Our process this year will be a bit different as we function without a “Polity and Records Committee”.

- 1) Bring questions, problems, issues you’ve had to “Stump the Chump” (sometimes known as “The Stated Clerk”).
- 2) There is no pre-registration. Just show up at the site and time that works best for you.
- 3) You’ll be reviewing with two other congregations—there are no special reviews by committee.

To make this work, please have your checklist completed and your books marked to the spot items can be found (small “post it” tags work best).

- 4) There will also be a “report” form this year for listing any “exceptions”. This will enable Elvira and Keith to prepare a report for presbytery.

Looking forward to seeing everyone at one of the Readings.
