

Christmas is about Receiving!

A Semi-Silent Half Day Retreat
Led by Patti Pierce

What are **YOU** longing for this Christmas? What do you need? You are invited to take time to reflect upon this question and then to **"open the gift"** that God has prepared just for you this Christmas. And here is the mystery: Receiving the gifts of Christmas actually prepares us for giving the gifts of Christmas. So join us as we enter together into Advent before the onslaught of our culture's Christmas chaos!
